<b>Make:</b>	BJ	<b>Inspection Date:</b>	Nov 6, 2012
<b>Model:</b>	SLA		
<b>Serial Number:</b>	CT-702		
<b>Capacity:</b>	100 Ton	<b>Load Test:</b>	150 Ton

Icon Energy Services Ltd's technical staff non-destructively examined and serviced the aforementioned equipment in accordance with Icon Energy Services Ltd's procedures and industry standard practices. Upon final inspection of the equipment and any repairs recommended or performed, no unacceptable defects were noted.

Based on the results of our final inspection, it is our opinion that the inspected components are safe for use within the original equipment manufacturer's specifications.

This certification is valid for a period of 500 operating days with regular inspections by a qualified person as per CAODC R.P. 2.0, or until the equipment has been modified or damaged by handling or operation.
